Criminal No. 1:18-cr-10106-PBS

**ASSENTED-TO MOTION FOR EXCLUSION  
OF TIME UNDER THE SPEEDY TRIAL ACT**

The United States respectfully moves to exclude the time period from August 8, 2018 through and including September 11, 2018, from the speedy trial clock, pursuant to the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), on the ground that the ends of justice served by excluding this period outweigh the best interests of the public and the Defendant in a speedy trial.

In support of this request, the government states that on August 8, 2018, a Status Conference was held in which this Court set the matter for a Final Status Conference to be held on September 11, 2018. The time period between August 8, 2018 through and including September 11, 2018, will allow the defendant time to review the automatic discovery. Thus, this period constitutes “the reasonable time necessary for effective preparation, taking into account the exercise of due diligence,” and the ends of justice served by granting the requested continuance outweigh the best interests of the public and the Defendant in a speedy trial pursuant to the Speedy Trial Act, Speedy Trial Act, 18 U.S.C. §§ 3161(h)(7)(A).

At the August 8, 2018 status hearing, defense counsel agreed that the time period from August 8, 2018 through and including September 11, 2018, should be excluded and assented to this motion.

Respectfully submitted,

ANDREW E. LELLING  
United States Attorney
